A TOWNSHIP LANDMARK

At the corner of Pleasant Lake Rd. and Zeeb Rd. stands Lodi's first Town Hall. It has stood by the side of the road since 1867. The 143 years of service to the community, however, has left its mark on this wonderful old building.

Recently, the Lodi Township Preservation Organization has directed some much needed tender loving care. With funds raised from many Lodi residents, restoration has been done to windows, flooring, interior and exterior painting and brick replacement. The Hall is close to being ready to give back to the Community the many years of history it represents. Township board meetings, tax reviews, general and special elections, as well as community events are the stories this building has to tell, stories that have been created over many years, and so important in the life of Lodi Residents.

To make the Hall visitor friendly, for all to appreciate its contributions to life in Lodi, an attractive and safe entrance remains to be completed. A concept has been presented that includes a SOLID CONCRETE FOUNDATION including a HANDICAP RAMP and VISITOR FRIENDLY MEMORIAL BRICK PATIO.

Funds from the purchase of bricks by friends & family of Lodi Township will make possible the completion of this LABOR OF LOVE by so many dedicated township residents. Supporting the Hall with the purchase of a brick to be a part of this permanent site is a way for us all to give back to our community and give the Town Hall an opportunity to do the same.
